## PARENTAL CIRCULAR

*A new session brings with it a new Ray of Hope filled with positivity and Joy.*

Dear Parents,

The previous session is over and the new session is about to commence from **3<sup>rd</sup> April, 2023**.

Every session brings with it a lot of positive things which prove to be a learning experience for all of us. The year gone by has seen the school scaling new heights of glory not only in academics but other co-curricular and sporting fields as well.

Vinay Khatri of Science stream (98.2%) was the overall topper of the school in Class XII boards 2022.

Yashika Khatri topped the Humanities with 98% and Kaamda Sonthalia, the topper of Commerce stream secured 97.2%. Ishan Bhardwaj of Class X topped the school securing 97.8%.

Aryan Sharma and Pranav of Class XII (2022-23) have secured more than 99 percentile in JEE Mains.

Our school bagged the Overall Cultural Champions Trophy in Boys Category (2022-23) for the Zonal Competitions conducted by the Directorate of Education Delhi.

Many students of our school secured number of medals in the All India DAV Sports event held at Ranchi and Jalandhar respectively.

Inderjeet Kaur (Class XII) and Rohan Rohilla (Class XI) bagged Silver Medal in Judo.

Prashant (Class XI) and Sunny (Class X) won Bronze medal in Kabbadi.

15 students of our school had been selected for All India DAV National Sports 2022-23.

A School or any other organisation cannot function without the mutual cooperation and support of all the stakeholders. Needless to say that parents are the most important stakeholders for a school.

For the coming session commencing from 3<sup>rd</sup> April 2023, kindly note the following points which have to be adhered to.

- The school has provisions for transport from certain areas. Parents can make full use of the prevalent system.
- For any information regarding the transport system please feel free to contact Mrs. Neelam Sachdeva or Mr. Lalit Mohan.
- Parents are requested to pay the fee of their child latest by 15<sup>th</sup> of every month, failing which the school will levy the late fee fine.

Apart from academics the school discipline plays a very important role. The school will leave no stone unturned to ensure that our children are morally and ethically upright.

Parents are required to take prior appointments either to meet the principal or teachers. Under no circumstances will the parents be allowed to interact with the teachers when the classes are going on.

Our parents have been the backbone for the school and have been with the school through thick and thin. We solicit your cooperation for this session too and promise that we will live up to the standards which you desire from us.

***Wishing you all the best for the new session.***

Regards

(PRINCIPAL)
