PARENTAL CIRCULAR

Dear Parents,

You are already aware that underage driving or riding of motorcycles and scooties is very dangerous for the safety and security of the rider and other people and is totally banned by the Government.

Despite this, many students can be seen commuting to school in their scooters, scooties or motorbikes.

In adherence with the directives of the Delhi police and other government departments, the school prohibits the students from commuting in their own scooters and motorcycles.

The school will not allow the students to park their vehicles outside the school campus and if any vehicle is seen parked outside, they may be impounded by the school.

The safety and security of students is of paramount importance not only for parents but also for the school. Hence, the parents are requested to desist from sending their children to school on their own motorcycles or bikes.

Regards

PRINCIPAL
