

THANKS GIVING CELEBRATION BY THE INTERACT CLUB OF DAVCP, NARELA

Keeping up the spirit of celebrating the WORLD INTERACT WEEK, the Interact Club DAVCP School, Narela observed THANKFUL THURSDAY to express their gratitude towards the mentors of the Rotary club for taking an interest in them, helping them, guiding them, correcting them, and leading them along their journey.

The members of Interact Club marked the day by making decorative colourful cards and writing a message for their worthy mentors. They expressed their thankfulness to the various dignitaries for giving them the freedom to believe in their capacities and dream big, sharing their ideas and knowledge, giving moral guidance and for having positive influence in becoming productive members of the society. They handed over the cards and rose buds as a token of appreciation to them.

The efforts of the children were appreciated by the worthy mentors and they acknowledged their contribution in keeping the spirit of Service Before Self practiced by the young interactors alive.
