CONNECTING MINDS ACROSS BORDERS

Generation Global organized a series of enriching International Video Conferencing sessions for the students of DAV Centenary Public School, Narela, connecting them with peers from India, Indonesia, Mexico, and Armenia.

- The first session fostered a meaningful dialogue on identity and belonging, uniting young minds across borders. The second and third conferences further engaged students in thoughtful discussions on maintaining physical fitness, mental wellness, and leading a balanced lifestyle — nurturing global awareness along with holistic well-being.
- The students of Class - I enthusiastically participated in a video conferencing session with DAV Public School, Dwarka on 23 February 2026 on the topic “Our Family and Community Helpers”.
- Similarly, the students of Class II actively engaged in another enriching session with the same school, sharing insights and ideas on the topic “Country of Different Seasons”.

A JOURNEY OF TALENT, TRIUMPH AND TOGETHERNESS

The Spandan Prize Distribution Ceremony unfolded as a radiant celebration of excellence and aspiration. The stage shimmered with pride as meritorious students were honoured with awards and prizes, each accolade reflecting dedication, perseverance, and brilliance.

The Panorama Cultural Programme of Classes LKG to II blossomed like a garden of innocence and joy. Tiny stars lit up the stage with their vibrant performances, filling the air with laughter, rhythm, and boundless enthusiasm.

The Panorama of Classes LKG and UKG, held on 7th February 2026, blossomed with splendour and joy under the enchanting theme “Bahar -e- Utsav.”

Adding to this magnificent celebration, the students of Class I presented their Panorama with remarkable confidence, showcasing their talent through captivating dance and expressive drama on the profound theme of Panchtatva — beautifully portraying the harmony of the five elements of nature. The event was truly a delightful symphony of innocence, creativity, and cultural charm.

Students of Classes III to V presented the Odyssey Cultural Programme on the theme “Incredible India”, highlighting national integration, culture, and unity in diversity.

ODYSSEY 2025

Inauguration Ceremony: Embracing the spirit of Incredible India”

A JOURNEY OF TALENT, TRIUMPH AND TOGETHERNESS

- A Career Mela and counselling session was organised on 16 October 2025 for the students of Classes XI and XII. Experts guided students about various career opportunities and helped them understand different professional pathways, enabling them to make informed choices for their future.
- A Health Mela and Blood Donation Camp was organised on 11th October 2025 in collaboration with the Rotary Club of Delhi Uptown.
- Ek Bharat Shreshth Bharat Utsav

DAV Narela organised a vibrant Ek Bharat Shreshth Bharat Utsav on 28 November 2025 to celebrate the spirit of national unity and cultural diversity.

Sikkim Day was celebrated to spread awareness among students about the culture, traditions, and heritage of different Indian states.

ASHIRWAD CEREMONY

An Ashirwad Ceremony was organised for the students of Class XII, where teachers blessed them for their bright future.

Students of Class X also attended the ceremony, while Class VIII students were also blessed in a similar ceremony organised for them.

Vedic and Blessings.

The school instills Vedic values among students through the chanting of Vedic mantras during the havan.

Students are also blessed on their birthdays, fostering a sense of spiritual and cultural connection.

Charitra Nirman Shivir was organized to spread awareness about the importance of moral values and character building among students. The camp aimed to instill qualities such as honesty, discipline, respect, and responsibility in young minds.

VEDIC MANTRAS

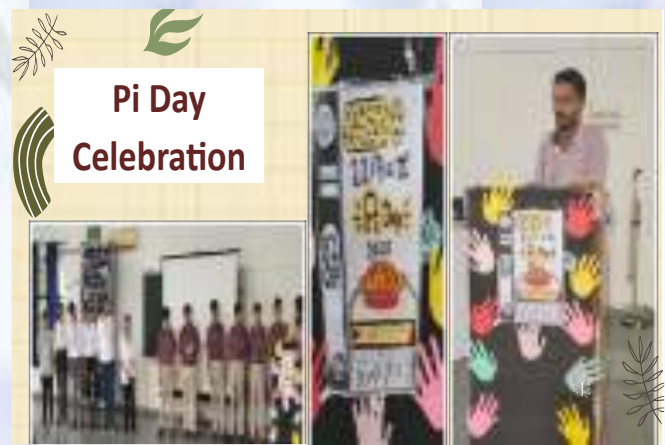

चरित्र निर्माण शिविर

विद्ययावत मं छात्र चरित्र निर्माण शिविर का आयोजन किया गया जिसका उद्देश्य विद्यार्थियों में नैतिक मूल्यों, सामाजिक जवाबदारी एवं जिम्मेदारी को भावना का विकास करना था।

CELEBRATING DAYS OF SIGNIFICANCE

The celebration of days of significance plays an important role in enriching students' knowledge and values. The celebration of Pi Day, Gratitude Day, friendship, Kargil Diwas, sports Day, Earth Day and world Athletics Day help students understand the importance of social, cultural, and environmental issues while inspiring them to contribute positively to society.

KNOWLEDGE FIESTA

The Knowledge Fiesta is a vibrant platform where curiosity blossoms into learning and creativity finds expression. Through engaging activities, competitions, and interactive experiences, students explore the beauty and depth of different subjects beyond textbooks.

The English week, Maths week, Science Week, Hindi Week, Sanskrit Week, IT Week and Library Week were observed which truly transformed learning into a joyful journey of knowledge and discovery.

THEMES IN FOCUS

Morning class assemblies were thoughtfully designed around meaningful themes to make learning more engaging and relevant. These themes encouraged students to explore concepts creatively, connect knowledge with real-life situations, and develop critical thinking skills. A variety of assemblies like

- A sense of civic responsibility
- Benefits of travelling in experience in different cultures
- Water a blue gold
- Tough times never last but tough people do
- Work in silence let your success make the noise
- Education in the light of life
- Appearance can be deceptive
- Equal work deserves equal pay were conducted by the students and they gained deeper insights, confidence, and a spirit of inquiry.

Sense of Civic Responsibility

Benefits of Travelling and Experiencing Different Cultures

Appearance Can Be Deceptive

Education In The Light Of Life

LEARNING BY DOING

Experiential learning activities formed an integral part of subject enrichment, enabling students to learn by doing and experiencing. Through hands-on tasks like My country my pride, Kal ka Gamla, let us communicate, Worli art, dart game, figure with lines, Fossil making, pollution model activity, stick drawing, Viram Chinhon ki Mala, depiction of centre of mass, centrifugal force presentation and air occupies space activities, students explored concepts in a practical and engaging manner.

STICK DRAWING

Air occupies space

Activity is inflating a balloon, where the air from your lungs fills the balloon and causes it to expand, directly showing that air occupies space.

Centrifugal Force Presentation

Models illustrate how inertia keeps objects moving in a straight line, creating the sensation of being pushed outward.

POLLUTION MODEL ACTIVITY IN POLLUTION BREAK
